

Invitation to German, Swedish, Danish law seminar:

Shipping, Offshore and Insurance seminar, 2017

The law firms of Windahl Sandroos & Co., Copenhagen and Morssing & Nycander, Stockholm, cordially invite you to a Shipping, Offshore and Insurance seminar in Hamburg. The seminar is a three hour interactive conference that integrates German, Swedish and Danish law and business related to maritime transport and offshore. The seminar covers three introductory presentations concerning offshore contracts and operations, liability under maritime law and insurance. In addition to the legal presentations, Vice President Jesper F. Mikkelsen from DONG Energy Wind Power, will present an overview DONG Energy's offshore wind activities.

The seminar is open to all with an interest in the maritime and offshore sectors, and, in addition to professional input, the seminar offers an excellent opportunity to network and exchange experiences in an informal atmosphere.
